VIA HAND DELIVERY

RE: Motion for Extension of Time (IRM Utility, Inc. Petition to amend Certificate of Convenience and Necessity, Docket No. 05-00056)

Dear Chairman Miller:

Integrated Resource Management Utility, Inc., (hereinafter "Petitioner") respectfully requests that the Hearing Officer grant an extension of time to reply to data requests in the above-captioned proceedings.

On February 21, 2005, Petitioner filed a Petition to Amend its Certificate of Convenience and Necessity to include a portion of Sevier County known as Wild Briar Ridge subdivision. On March 11, 2005, the Tennessee Regulatory Authority issued a set of data requests to Petitioner. On March 29, 2005, Petitioner requested and was granted an extension of time to reply to the data requests. At this date, a number of responses to these data requests are still unavailable to Petitioner. An extension of time until June 30, 2005, should allow Petitioner to retrieve the information necessary for replying to the data requests.

Therefore, Petitioner respectfully requests the TRA to approve an extension of time to reply to the TRA's data requests. Granting this extension would not prejudice any parties, since no interventions have been filed in this matter and no scheduling order has been entered.

Very truly yours,

FARRIS MATHEWS BRANAN
